REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art did not teach or suggest a fluid product spray head as claimed by the applicant, specifically a fluid product spray head wherein the head further comprises a hollow axial sleeve accommodating the spray profile, the obturator being displaced or deformed axially at least partially in the sleeve, the at least one non-radial channel of the spray extending at least partially in the lateral wall of the sleeve, wherein the at least one non-radial channel extends obliquely in the lateral wall of the sleeve, and wherein the at least one non-radial channel is void of structure for all positions of the obturator between the closed position of the spray orifice and the open position of the spray orifice, together in combination with the other claimed features of applicant's invention and in view of applicant's arguments which are well taken and were found to be convincing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to STEVEN J. GANEY whose telephone number is (571)272-4899. The examiner can normally be reached on 9:00-5:00; Monday-Friday.
